Portfolio

SUMMARY

Self-driven developer with a solid CS foundation and hands-on experience in building scalable full-stack applications using MERN and Java. Quick learner with a focus on clean UI/UX, teamwork, and real-world problem solving.

EDUCATION

Birla Institute of Technology

Master of Computer Applications (CGPA: 8.42)

Jharkhand Raksha Shakti University

B.Sc in Computer Applications & Cyber Security (CGPA: 9.38)

(Expected April 2026)

Mesra, Jharkhand

Sep 2021 - Aug 2024

Ranchi, Jharkhand

TECHNICAL SKILLS

Languages	Java, C
Web Development	HTML, CSS, JavaScript, NodeJS
Frontend Frameworks	ReactJS, NextJS, Tailwind CSS
Backend Frameworks	ExpressJS, EJS, Spring Boot
Databases	MongoDB, SQL
Core Subjects	DSA, OOP, DBMS, OS

PROJECTS

BitGears (MERN Stack, JWT) — [GitHub](#) — [Live URL](#)

- Solves the issue of unorganized campus bike rentals by digitizing listings, discovery, and bookings.
- Built a MERN stack platform with JWT auth, real-time availability, and role-based dashboards.
- Prevents double bookings and enables owners to approve/reject requests via responsive UI.

CloudNest (Node.js, Express, MongoDB, Cloudinary) — [GitHub](#) — [Live URL](#)

- Tackles the need for personal cloud storage with a secure file upload and sharing system.
- Integrated Multer, Cloudinary, and JWT-based auth to manage private files via user dashboards.
- Ensures ownership-based visibility with bcrypt-secured logins and role separation.

JournalApp (Spring Boot, MongoDB) — [GitHub](#)

- Provides a minimal journaling backend for managing personal entries securely.
- Follows clean layered architecture (controller-service-repository) with proper validations.
- Designed for easy maintenance with modular code and robust error handling.

Employee Payroll System (Java, OOP) — [GitHub](#)

- Demonstrates payroll calculation using core OOP principles like inheritance and polymorphism.
- Simulates real-world employee roles with encapsulated logic for various salary types.

EXPERIENCE

Paradox Alpha – React Developer Intern

May 2025 – July 2025

[View Certificate](#)

Built responsive UI components and collaborated on web projects using React and modern frontend practices.

YHills Edutech – Web Development Intern

Aug 2023 – Sep 2023

[View Certificate](#)

Built responsive web solutions using HTML, CSS, JavaScript, and Bootstrap.

ACHIEVEMENTS

- Awarded **Best Anchor** during college cultural events for exceptional hosting skills.
- Consistently ranked in the **Top 2** of the class in every semester during graduation.
- Won **First Prize** in Intra College **Quiz Competition** during graduation, demonstrating strong general awareness and teamwork.
